

## B.S.D.T.'s AYURVED MAHAVIDYALAYA, WAGHOLI, PUNE.

### Report on Basic Research Methodology Workshop

A MUHS-approved Basic Research Methodology Workshop was conducted from 9<sup>th</sup> April 2026 to 11<sup>th</sup> April 2026 at BSDT's Ayurved Mahavidyalaya, Wagholi, Pune.

The workshop covered key topics including Introduction to Research Methodology, Study Designs, Sampling Methods and Sample Size Determination, Ethical Issues in Medical Research, Writing a Research Protocol, and Computer-Assisted Data Analysis using Excel and Epi Info.

The sessions comprised lectures along with interactive group activities, making the learning process engaging and practical. As part of the workshop, participants were divided into groups to identify and present ethical issues relevant to their respective studies.

The workshop featured eminent speakers including Dr. Prashant Amrutkar, Dr. Shrikanth Muralidharan, Mr. Sagar Khandagale, Dr. Jyoti Gavali, Dr. Mayur Giri, and Dr. Archana Kulkarni, who delivered insightful sessions on various aspects of research methodology.

A total of 49 participants attended the workshop, including Assistant Professors and postgraduate scholars from the fields of Ayurveda, Homeopathy, Physiotherapy, and Nursing.

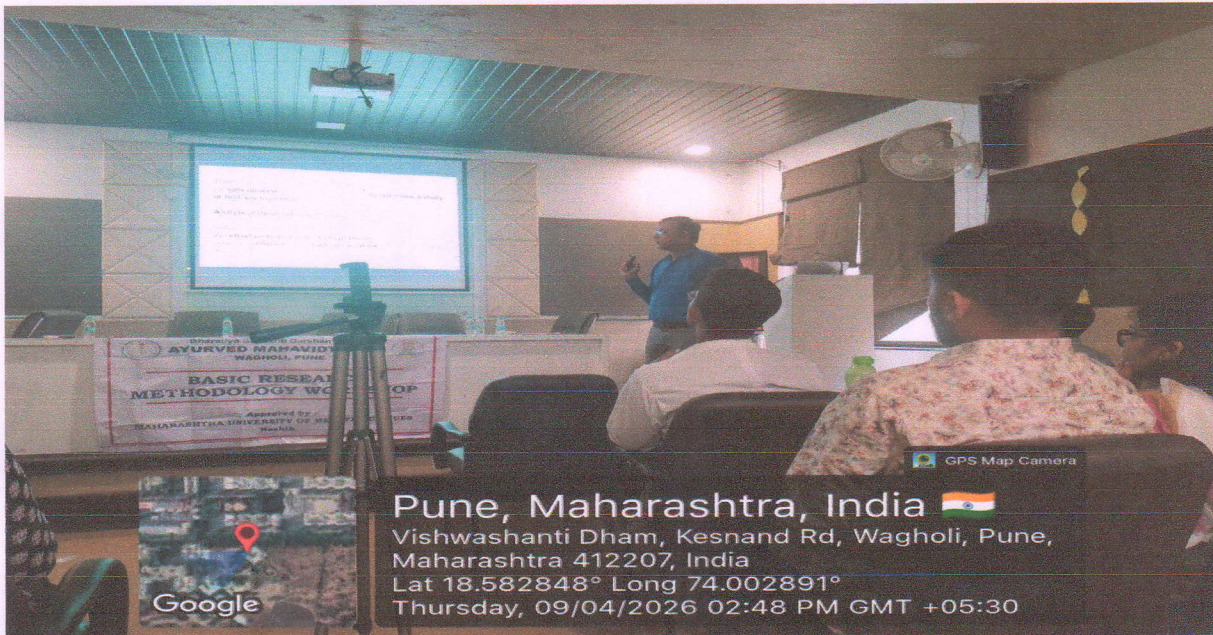

The workshop significantly contributed to enhancing the participant's knowledge and skills in research analysis, statistical methods, sampling design, and protocol writing, particularly in the context of clinical research and trials.
